

Thecliffclub.net

Dear Owner,

We are happy to announce the launch of our new Cliff Club website! Our new site has the same web address, but has been improved with a fresh look and responsive design to provide better viewing from your computer, mobile phone or tablet. The new look has kept our most used location buttons at the top of the page making it easy to locate the payment center and your booking forms. The biggest change to the new site is the owner portal that will provide you access to your upcoming reservation dates and personalized fillable reservation forms that will submit directly to Owner Services and send you a copy via email.

HOW TO LOG IN TO YOUR OWNER ACCOUNT

- Select owner login at the top of the page.
- At the sign in page, select forgot password.
- On the forgot password page put in your owner number and click on reset password.
- You will then receive a password reset email.
- The email comes from noreply@thecliffclub.net. If you don't see the email please check your spam.
- For accuracy, it's best to copy & paste the password.
- Once logged in you can reset to a personal password by clicking on "Change password" in the white box.

Owners Only Area
